Archrock®

AFTERMARKET SERVICES

Archrock®

We supply new, used, remanufactured, OEM and aftermarket parts, plus the equipment and services needed for maintenance, repair, revamp, recondition and overhaul of most brands of equipment.

Archrock provides the parts and services you need to help minimize downtime and maximize the life of your equipment.

Parts Services

We maintain ready inventories of critical parts at strategic locations around the country, so you can get what you need quickly to keep your equipment operating.

OEM Representative For:

· Air-X	· Ariel	· Frick	· Kimray
· Ajax	· Caterpillar	· GE Gemini	· Murphy
· Altronic	· Dresser-Rand	· Ingersoll-Rand	· Waukesha

**Field Services, Shop Services And Contract Maintenance**

Other services include scheduled, preventive and contract maintenance, mid-cycle and full overhauls, responsive emergency repair work, installation and commissioning and much more.

Our experienced, factory-trained technicians arrive on-site ready to provide fast and thorough service on many brands of equipment. We have more certified CAT technicians than anyone else in the world. And to maximize uptime and support for Waukesha end users, Archrock now holds more genuine Waukesha parts inventory, and has more technicians receiving expert training. So from field services to shop services, whatever your operation needs, we have the right resources to get the job done.
